

11th December 2023

Dear Parent/Carer,

The Science department will be holding lunchtime revision sessions on Tuesdays and Thursdays with the aim to provide pupils with targeted revision. The Tuesday sessions will have a triple content and higher content focus, and the Thursday sessions will have a foundation content focus.

We would really appreciate your support and encouragement with promoting these sessions as we feel they will be invaluable in the run up to their second round of mocks in February and ultimately their GCSE exams.

If you have any questions regarding these sessions, please do not hesitate to contact me at the email address below.

Yours Sincerely,

***S. Khan***
