Dear Parent/Carer

Year 7 Resetting following Baseline assessment

We are very proud of how our new Year 7's and the heart and tenacity they have shown in their first two weeks of secondary school. Initially pupils have been set based on their year 6 SATS results. During these first few weeks we have been getting to know them better, this means that we are now in a position to adjust the setting based on our teacher's knowledge of the pupils and the work they completed in their baseline assessments.

Pupils will begin lessons in their new sets on Monday 10th October 2022, to support them they will be given a copy of their new timetable on Friday 7th October 2022, this means they have the weekend to prepare for their new class. Many pupils will remain in the same classes with the same expert teachers.

I understand that moving to a new class can be difficult for pupils, however, it is important that pupils are in the appropriate class for their ability, where they will be supported to develop to make good progress.

If you have any queries or need any support please email Miss Wallbank the Year 7 Pastoral Leader chelsea.wallbank@midlandat.co.uk

Yours sincerely
